Dear Harold,

I wanted to write and confirm our telephone conversation. If it is still acceptable to you and your wife my son and I are going to be in town may 18 ~~thru the~~ 20th. On the 18th I have made arrangements to veiw the film and pictures the College has. The Library is going to provide us with a room and 16mm projector. Mr. McKnight was very receptive. If it is O.K. we would like to visit you on the 19th & 20th. We would be ~~glad~~ glad to assist you in any research of yours we can be of help with. I will call once before we come to make sure your schedule still allows time for us.

My son and I can't thank you enough for your past hospitality and the change to again allowing us to impose on you by letting us search your files.

Sincerely,
Kurt
